

Vision Day Results

Uplyme Church building. A place for...

Worship, Prayer, Meeting and Learning

How the results were tallied

Each set of notes from the Vision Day was divided into the sections Worship Space, Prayer Space, Meeting Space and Learning Space. The results were collated under a single heading and where the same idea or suggestion was repeated this was noted and is represented in the number in brackets following the idea or suggestion. Finally, the suggestions and ideas were ordered in terms of the most popular first.

Outcomes

Make the seating in the building more flexible and comfortable. (7)

Increase both the usable area and visibility within the building. (7)

Make the whole space more flexible. (7)

Create a bigger and improved meeting space for fellowship with access to the coffee/drinks. (5)

Create a designated all-age prayer space (room or area). (4)

Create multiple themed spaces to cater for smaller gatherings and group work. (4)
