21st October 2014

Dear Mr Pullinger,

Please pass on our sincere thanks to all at Uplyme Church for the very generous donation of Harvest Festival items which we recently received in support of our work. We are extremely grateful for your support; your donation will help us to continue to provide vital services to some of the most vulnerable people in our area.

As you may be aware, St Petrock's will be 20 years old in December 2014. To mark this anniversary we are running our '20 things' campaign between now and December, details of which can be found on our website.

The past few months have been the busiest experienced at St Petrock's since we opened our doors 20 years ago. On average, we now have twice as many people accessing advice, referral and survival services in our centre each morning as we did five years ago; we now regularly see up to 60 people a day.

In these difficult times, we are particularly grateful to receive such wonderful support from the local community. Thank you again for the part you play in enabling us to meet the challenges we face.

Best wishes

Terri Sutherland
