

Open the Book 2023: report to the PCC

'Open the book' offers the children of Mrs. Ethelston's Primary School the opportunity to share key bible stories, presented by a team from Uplyme Church. Every fortnight, the school takes part in bringing bible stories to life through action, song, and drama. The children have enjoyed worship through a new resource - 'Fischy Music'. This academic year we have acted out the story of the Israelites through adventures of significant characters in the Old Testament. Uplyme Church enjoys a strong relationship with the school through Tuesday worship, part of the Children's Ministry.
