

Knit & Chatter Group

The knitting group was re-formed in 2022 with a firm core of 6 knitters, plus those who come along when they are free from other commitments. We are open to all levels of knitting skills and crochet with plenty of willing help for beginners. We have carried on the Uplyme tradition of knitting for charity, as well as personal projects and have sent many parcels to the "Baby Bear" foundation in Africa, baby and children's clothes to Ukraine and Moldova and tiny premature baby sets to Kangaroo Baby Care.

We were pleased to be asked to run a Christmas stall which involved speedy Christmas themed knitting.

We charge 50p per session and the money collected has paid for postage, with the rest donated to the church.

We are very grateful to the church for giving us a free space in which to meet up and for allowing us access to the vestry in the wintertime. We take supplies along and make happy use of the kitchen.

Thank you for enabling our group to meet each week. It creates a firm link to the church and a chance to make new friends.
